OUR METER MAN

was unable to gain admittance to read the meter. Therefore in order to facilitate the work and avoid delays we request that you please mark on the facsimile of the meter dial the position of the hands of the meter. If we do not receive this card within three (3) days we must then render an estimated bill.

If you have direct reading type meter please record reading here. **5**

1. Print the date, name & address on the meter card.
2. This section is completed only if you have this style meter. Draw lines as shown above representing the location of the hands on the dial.
3. This is your account number and should be completed when you receive the card from our meter reader.
4. This is the number found on the top of the meter and should be completed by you when you read your meter.
5. This section is completed by you if you have a "direct reading meter", similar to the odometer on your car. Simply write the numbers in the boxes provided, including zeros.
